JAMES W. BRINE CO.
286 Devonshire St., Boston

CONFIDENCE

To Americans, the flag is a splendid symbol. It has stood the test of time.

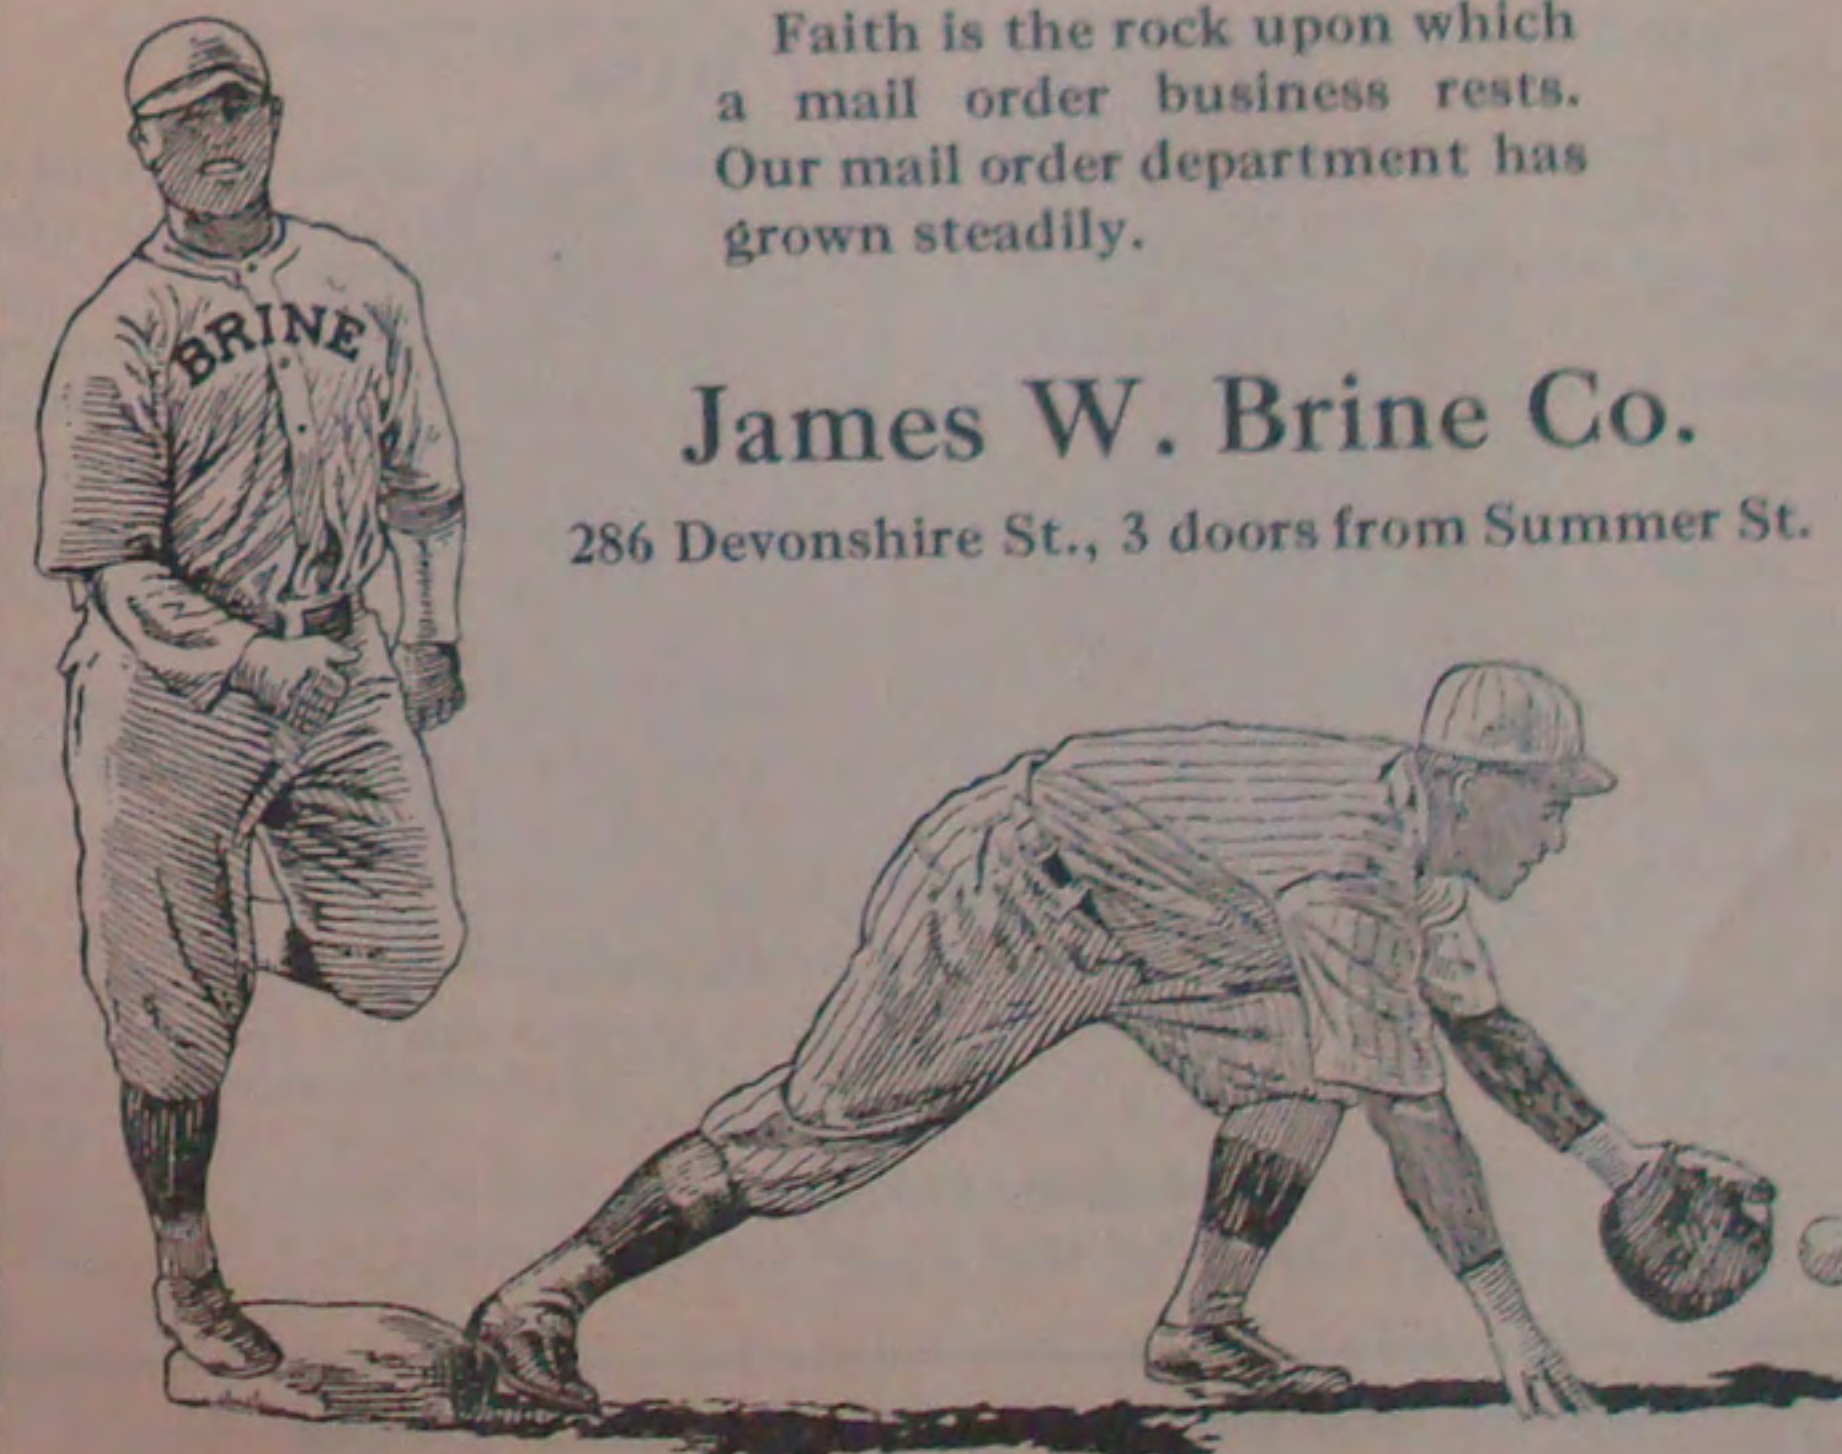

To sport lovers, the J. W. Brine trademark, is, a symbol. It has, for fifty years, been building a reputation of high quality and service. Like all institutions having treasured traditions, ours is zealous in preserving its traditions by living up to them.

When our factory places its trademark upon merchandise it assumes a real responsibility for its product. To this, above all, we ascribe the steady growth of our business, for our customers have found that they have reason to share in confidence.

Faith is the rock upon which a mail order business rests. Our mail order department has grown steadily.

James W. Brine Co.

NO BETTER BALL MADE

No. 1.—Brine's Official League Ball is made under expert supervision and constant inspection. The highest grade rubber, the best all wool yarn and carefully selected horsehide are used in its construction.

The Brine Ball, which is guaranteed regulation weight and size, is reinforced with a patented hand sewed inner cover of horsehide, a feature which greatly adds to the life of a ball.

The cover is carefully stitched with waxed thread, and we guarantee the ball to give not less than 18 innings' service without ripping, losing its shape, or softening.

Recognized as the most serviceable ball manufactured, Brine's Official League No. 1 is annually increasing in adoption by leagues, colleges, schools, and leading athletic associations of the country.

No. 1. Each, \$2.00

Wholesale, \$14.25 Dozen

No. 1N.—Brine's Official League Ball. Same quality and sold with the same guarantee as Brine's No. 1 Baseball. The only difference is that it is made without patented inner cover. Each, \$2.00

Wholesale, \$13.50 Dozen

Brine's Major League Catcher's Mitt

No. 10M.—Major League Professional Model. A popular size catcher's mitt made on a molded pattern out of finest selected tan cowhide. Hand made asbestos felt pad which gives a deep and lasting pocket. It is Brine's Major League mitt and stands for all the name implies, in service, quality and model. The player who desires a mitt that will stand the "Gaff" after it is broken in, will do well to invest in a mitt of this quality. Price..\$15.00

Wholesale, \$10.00

—Use the Brine Line—You'll Not Transfer—

Brine's Catchers' Mitts

BRINE'S BIG LEAGUE MODEL

No. RS.— Made of dark brown chromed tanned elk leather with a strip going around the entire edge. Has a heavy sole leather reinforcement, reaching well down over the fingers. It is a smaller mitt than the Major League but is made heavy and strong with hand made asbestos pad. Particularly constructed for that discriminating high speed Catcher who prefers the smaller faster mitt.

Price.....\$15.00

Wholesale, \$10.00

BRINE'S NATIONAL LEAGUE

No. 8M.—This mitt is constructed for the Catcher who prefers a small model that affords ample protection. Made from light tan carefully selected calfskin. Hand made asbestos pad with perfect pocket. Light in weight but serviceable.

Price.....\$12.00

Wholesale, \$8.50

PROFESSIONAL MODEL

No. 7M.—A large size mitt, made of very tough, yet soft and pliable choice calfskin, padded with finest quality asbestos felt, hand formed and shaped to give a deep natural pocket.

Price.....\$9.00

Wholesale, \$6.75

—James W. Brine Co., 286 Devonshire St., Boston—

Brine's Catchers' Mitts

PROFESSIONAL MODEL

No. 10MS.—Made of selected quality, highest grade calfskin, chocolate color, soft and pliable, padded with genuine asbestos felt, formed by hand and so constructed to form a natural ball pocket that will hold its shape. Designed by a Big League catcher. Price . . . \$10.50

Wholesale, \$7.50

BRINE'S COLLEGE MODEL

No. 6M.—A full size black horsehide mitt with hand made asbestos pad. Leather laced edge, padded wrist and strap and buckle fastening.

Price . . . \$8.50

Wholesale, \$6.00

INTERCOLLEGIATE MODEL

No. 5M.—Made of heavy calfskin, leather laced, asbestos felt pad, large pattern. Has exceptional wearing qualities. Price . . . \$6.50

Wholesale, \$5.00

—Official Outfitters to All Harvard Athletic Teams—

Brine's Catchers' Mitts

BRINE'S LEAGUE MODEL

No. 4M.—A medium size model mitt made of dark brown cowhide palm and fingers, with a good leather back; a light fast mitt, well padded, with a good pocket. Price . . . \$5.00

Wholesale, \$3.75

No. 4M

No. 3M

BRINE'S AMATEUR LEAGUE

IMPORTANT NOTICE

Owing to changeable market conditions prices quoted in this catalogue are subject to change without notice.

Orders accepted subject to stock on hand.

—James W. Brine Co., 286 Devonshire St., Boston—

Brine's Basemen's Mitts

No. BS.—Brine's Big League Model.

A large size tan horsehide mitt both outside and lining. Reinforced with sole leather over the ends of fingers to protect the wearer. Hand made asbestos pad, hinged model. Leather laced all the way round. Used with complete satisfaction by many of the "Major League Stars." Truly a Big League proposition. Price.....\$8.50

Wholesale, \$6.25

No. B1.—Brine's Major League first baseman's mitt contains new features, principally in the crotch between the thumb and hand. The leather lacing stops and the mitt is carefully sewed together thus eliminating the pulling out of eyelets where the thumb joins the hand. It is made entirely from tan horsehide on a fairly large size model. Very thin in the palm but well banked on the heel and hinged on the sides. Price.....\$8.00

Wholesale, \$6.00

OIL TANNED HORSEHIDE BASEMEN'S MITTS

Soft as Chamois But Will Stand the Hardest Usage

No. S.—This model designed and used by the "Premier First Sacker" George Sisler. "Nuf." Price.....\$10.00

Wholesale, \$7.00

No. B.—Bottomley Model. Favored by many "Big Leaguers." Price.....\$10.50

Wholesale, \$7.50

No. RL.—Brine's new "Hand Grip" Mitt. For players desiring an extremely small model. Price.....\$10.50

Wholesale, \$7.50

—Brine's Athletic Goods Never Lose Their Popularity—

Brine's Basemen's Mitts

No. 2S.—Brine's Intercollegiate.—A full leather lined, tan horsehide glove-thumb mitt, properly constructed to form a deep pocket. This mitt is particularly adaptable for those players desiring the glove-thumb mitt which has proven so popular in the last few years. Price.....\$7.00

Wholesale, \$5.00

No. B4. Brine's College Varsity.—Made of brown calfskin with a good leather lining. A medium size mitt with light padding in the palm and medium padding around the edges which makes a perfect pocket and gives the necessary protection without being too heavy. Price.....\$5.50

Wholesale, \$3.75

No. B5. Brine's Amateur League.—A large size first baseman's mitt made of white chrome tanned leather, well padded. A large flexible mitt at a moderate price. Price.....\$3.50

Wholesale, \$2.50

No. B6. Brine's School League.—A fairly large all leather mitt, rawhide laced around the edge. Dark tan in color and properly padded to give ample protection. Price, \$2.75

Wholesale, \$1.90

No. B7. Brine's Boy's Mitt.—Good, serviceable mitt for the "Little Fellows." Price, \$2.00

Wholesale, \$1.50

No. B8. Junior Mitt.—"Kiddies' Size." Price.....\$1.35

Wholesale, \$1.00

—James W. Brine Co., 286 Devonshire St., Boston—

Brine's Best Fielders' Gloves

No. BD.—This is the Genuine Rawlings, Bill Doak Glove. Made from the very best quality oil finished cowhide. The most perfect glove manufactured and actually used by more Major League players than any other glove on the market. Each, \$8.50

Wholesale, \$6.00

No. A1. Brine's Demon.—A large size, soft glove, made of cremore horsehide and lined with the same material. Very lightly padded in the palm and well banked at the heel. Particularly adapted for the pitchers and outfielders. A model that is used by these players probably more than any other. Specify long or short fingers when ordering. Price.....\$8.00

Wholesale, \$5.75

BRINE'S COLLEGIATE

No. A2L.—A black horsehide glove with a good leather lining. Made with a long thumb and special lacing feature between that and the forefinger, which forms a net to catch the ball, if it slips. A soft glove with light padding in the palm and a high banked thumb and heel, which forms a perfect pocket. Price.....\$7.00

Wholesale, \$4.50

—Now-a-days—It's Service and Quality—That's Brine's Foundation—

Brine's Model Fielders' Gloves

No. GU. Brine's New Major League Model.—This is the style of glove most popular among the "Big League" players. Made of first quality oil tanned cowhide, soft and pliable. Has perfect ball pocket and needs no breaking in. Patented lace feature between thumb and finger. Strong and durable; a rare glove at the price. Each.....\$6.50

Wholesale, \$4.50

No. A2. Brine's New Varsity Model.—Made of Cremore horsehide, lined with soft, pliable leather. Padding designed to ensure perfect pocket. Web between thumb and finger, laced heel. Price.....\$5.00

Wholesale, \$3.75

Brine's Diamond King

No. A3.—Made of soft tan colored horsehide and leather lined throughout. A lightly padded palm with well padded heel insures perfect ball pocket. Has our new lacing feature between thumb and forefinger. Price.....\$4.50

Wholesale, \$3.25

Semi-Pro

No. A4.—Made from black horsehide, welted seams, laced heel. The palm and fingers are leather lined and the pad offers a very good protection. An excellent wearing glove with a good ball pocket and the new lace feature between thumb and finger. Price.....\$3.75

Wholesale, \$2.25

—James W. Brine Co., 286 Devonshire St., Boston—

Brine's Selected Bats

Baseball players, you know, are most particular about the bat they use. It must be just right or their batting average suffers.

For years we have produced a selective line of bats which have given uniform satisfaction.

Great care is exercised in the manufacture and only the best second growth ash is used. Every stick is dried in the open air, furnishing the strongest and best seasoned bat obtainable. All the popular models and weights.

No. H.—Brine's popular natural finished bats in the following models: "Babe Ruth"—"Frank Frisch"—"Ken Williams"—"Harry Heilman." Price.....\$1.75

Baseball Uniforms

MADE TO MEASURE BY BRINE

FOR over fifty years, James W. Brine Co. have been manufacturing their own baseball uniforms, and after these years of experience are equipped to produce the best Baseball Uniforms possible.

Brine's Made-to-Measure Uniforms are cut by expert workmen. The flannels used are made by Brine's Special Process, and are well sponged and shrunk.

Every Made-to-Measure Uniform produced by Brine is cut on the Major League Pattern. Fullest freedom of action is allowed in the designing of the shirts and pants. The shirts are manufactured in various styles, the most popular of which is the professional style as shown on page 28. All pants are cut on Major League patterns, and are hand finished throughout.

You should not have the slightest hesitancy in ordering Brine's Baseball Uniforms by mail.

If you will advise us about what price you desire to pay, we will forward samples of the flannels with measurement blanks. Our measurement blanks contain every detail for obtaining correct measurements. The blanks are followed in every detail by our expert workmen, and absolute satisfaction is assured. Improved and up-to-date facilities enable us to give prompt deliveries. A deposit of one-quarter of the amount to accompany order, balance to be forwarded C. O. D.

Brine's Woven Letter Sweaters

MADE TO ORDER ONLY

Brine's Woven Letter Sweater is unquestionably the best wearing sweater manufactured. Only skilled operatives, whose experience covers many years, are employed in the highly important work of producing these superior sweaters. James W. Brine Co. is practically the only concern making woven letter sweaters on a large and successful scale. The proof of merit lies in the fact that Harvard has adopted Brine's Woven Letter Sweater as the Official Varsity Sweater year after year.

Gene Sarazen Autograph Models

GENE SARAZEN
National Open
Champion, 1922

These Clubs are exact replicas of the clubs used by Champion Gene Sarazen who won such a glorious victory in 1922 and they possess several individualities of design originated by him. An exclusive feature of these clubs is the Gene Sarazen special tapered grip which gives a firm, sure grip and better your stroke. The Sarazen Irons are made of Monel Metal which will always remain bright and clean. The club shaft will never become loose in the socket due to expansion or contraction of a Monel Metalhead.

These clubs helped Gene Sarazen on his road to the Championship; they will help your game also.

Brine's Steel Shafted Golf Clubs

Brine's Bristol Steel Shaft is lighter than hickory. The steel shaft throws the weight down near the head, giving what every golfer desires, a perfectly balanced club. These clubs are used by Amateurs and Professionals everywhere with absolute satisfaction. Brine's Steel Shafted clubs are uniform in balance, impervious to all climatic changes and exceptionally durable.

Kroydon Wood Clubs

THE SUPREME, MODEL 12 Driver Brassie Spoon

A Kroydonite, hardened and waterproofed, wood club. Medium-small, compact head—with medium deep face for hard hitting.
With air seasoned hickory shaft.....\$10.00
With steel shaft.....12.00
No Discount

KROYDONITE, MODEL 40 Driver Brassie Spoon

Medium-large head—with deep face, designed to keep the ball low, and thus secure maximum distance. Hardened and waterproofed, by Kroydonite process.
With air seasoned hickory shaft.....\$7.00
With steel shaft.....9.00
No Discount

KROYDONITE, MODEL 45 Driver Brassie Spoon

A Kroydonite treated wood club. Large size, rather broad head—with medium (almost shallow) face. Particularly effective for getting the ball up.
With air seasoned hickory shaft.....\$7.00
With steel shaft.....9.00
No Discount

THE ACE, MODEL 3 Driver Brassie Spoon

Has well rounded, rather broad head—with medium striking face. Horn and solid backplate of Kroydon metal.
With air seasoned hickory shaft.....\$8.00
With steel shaft.....10.00
No Discount

HY-POWER, MODEL 8 Driver Brassie Spoon

Original Hy-Power model. Large, rather broad head. Medium striking face, designed to get the ball up.
With air seasoned hickory shaft.....\$8.50
With steel shaft.....10.50
No Discount

HY-POWER, MODEL 6 Driver Brassie Spoon

Smaller head than Model 8—and a slightly deeper face, for hard hitting.
With air seasoned hickory shaft.....\$8.50
With steel shaft.....10.50
No Discount

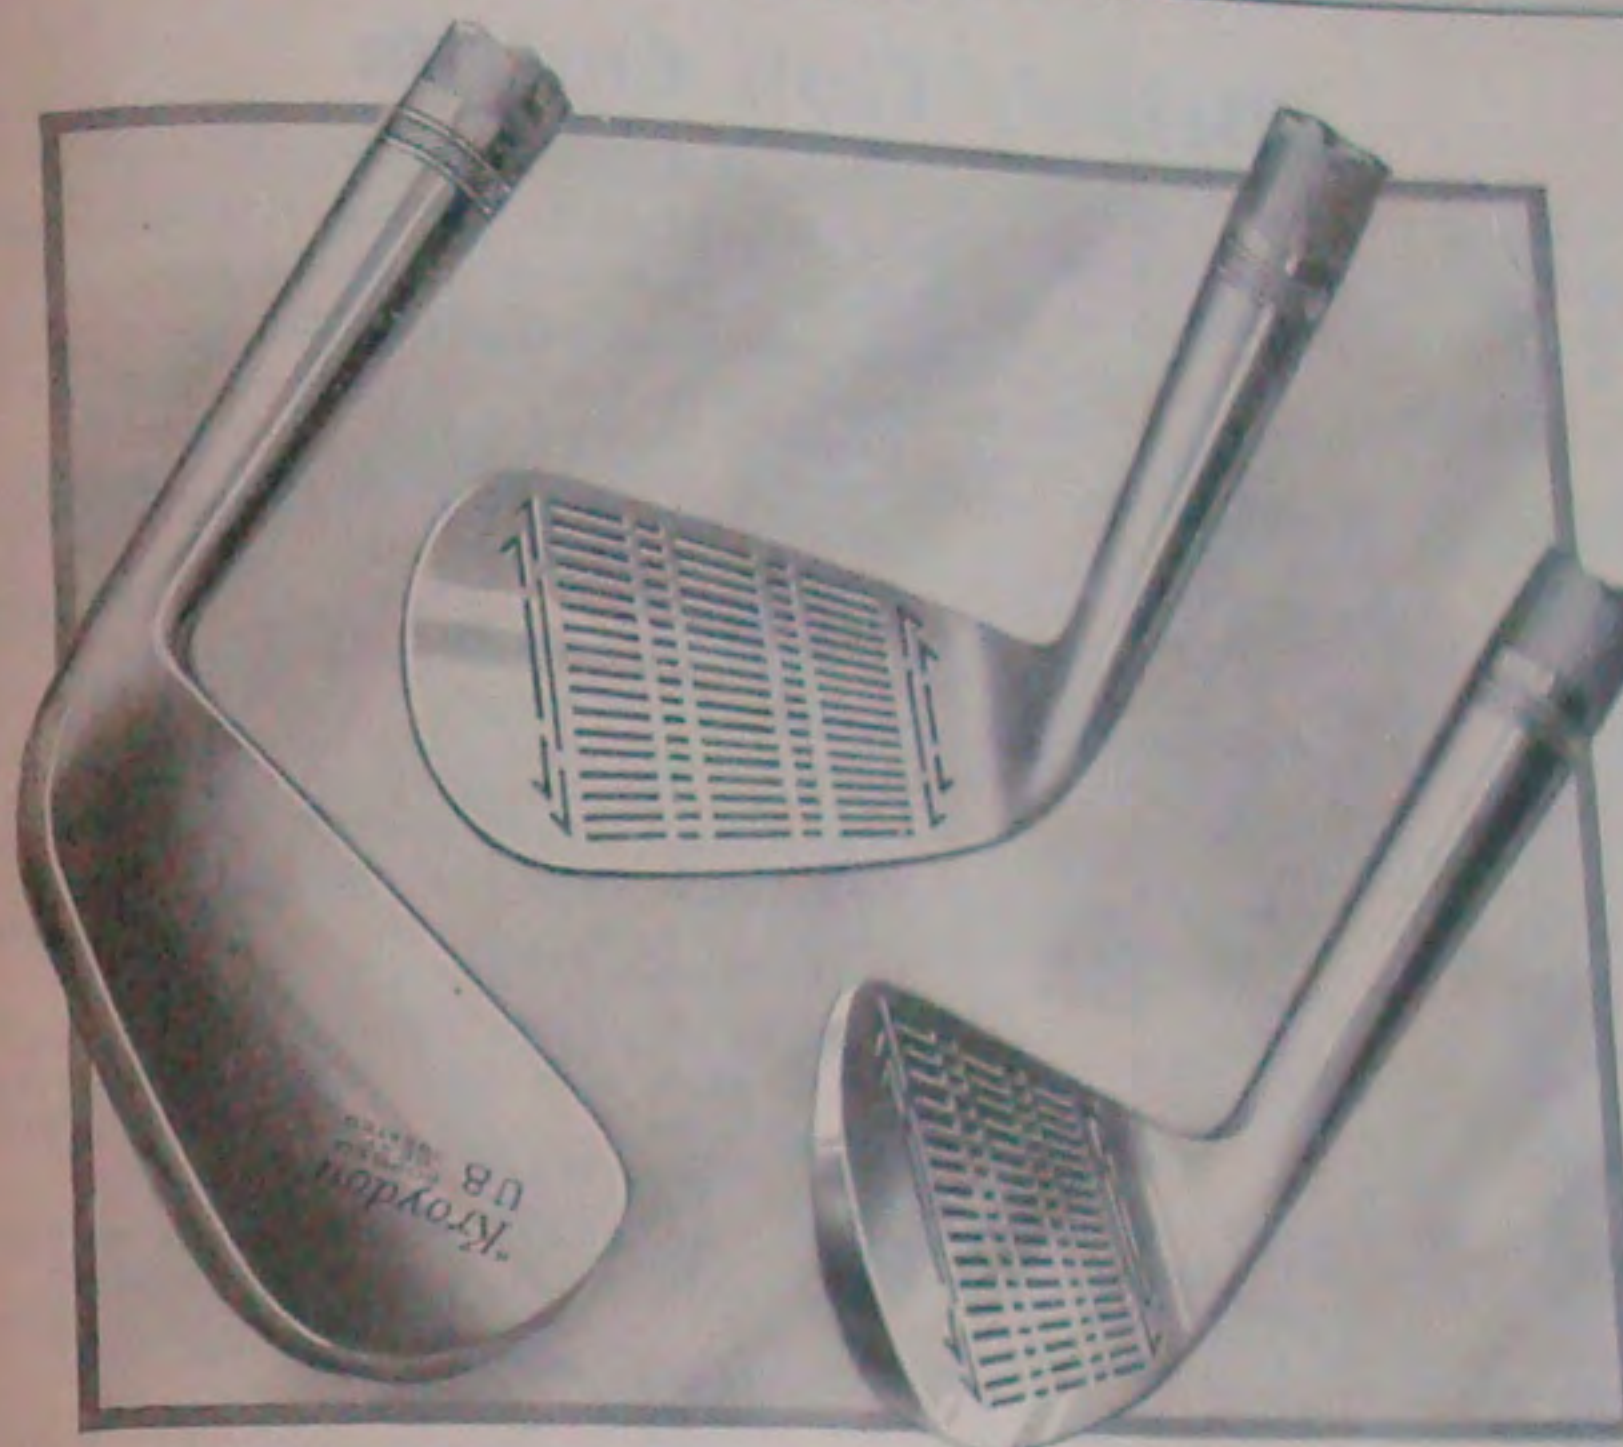

HY-POWER, MODEL 0 Driver Brassie

Very large head, and deep face. The hardest hitting Hy-Power model. Designed for players who have no difficulty in getting the ball up.
With air seasoned hickory shaft.....\$8.50
With steel shaft.....10.50
No Discount

IDEAL, MODEL 61 Driver Brassie Spoon

Medium-small head, with moderately deep face—somewhat similar to Hy-Power Model 6.
With air seasoned hickory shaft.....\$6.00
With steel shaft.....8.00
No Discount

—James W. Brine Co., 286 Devonshire St., Boston—

Kroydon Irons

With air seasoned hickory shaft.....\$6.00
With steel shaft.....7.50

NO DISCOUNT

Driving Iron, Model H-8. Conservative in design. Simple and effective face marking (as shown in illustration above). Designed for the longest possible iron shots. Used from the fairway more often than from the tee.

Midiron, Model J-8. Just the right degree of loft for a Midiron. Weight is well down toward the hardened and heat-treated sole.

Sammy Iron, Model K-8. Rounded heel, and short, narrow blade, for playing clean shots from a cuppy lie. Used for a variety of strokes from a full iron to a short chip.

Mashie Iron, Model L-8. Long, shallow, well-lofted blade—with a flat lie. Picks up the ball, and is easy to play.

Mashie Iron, Model L-O-8. More powerful than Model L-8. Has shorter blade with greater depth. Preferred by players who have no difficulty in getting their shots UP.

Jigger, Model M-8.—Rather broad sole, and shallow well-lofted face. Ideal for moderate distance. Easy to handle.

Mashie, Model N-8. Has 40 degrees—and can be relied upon to get the ball UP. Perfect balance—and low center of gravity.

Mashie, Model N-O-8. Designed for greater distance than Model N-8—and has 5 degrees less loft. Probably the most powerful Mashie made.

Mashie Niblick, Model P-8. Ideal for medium-long pitching. Closely resembles a standard Mashie, except in its high degree of loft.

Mashie Niblick, Model P-O-8. For short and medium pitching. Small, compact blade—for delicacy in handling. Has rounded toe and heel, like a standard Niblick.

Niblick, Model R-8. Ideal for trouble—and for extremely short pitching. Plenty of loft, and a deep face—but not cumbersome.

Spade Mashie, Model U-8. Designed for accurate pitching at the pin. High degree of loft, and extra deep face, to impart back spin.

Putter, Models S-8 and S-8-B. Standard and conservative in design. Very slightly offset blade. Medium lie. (Model S-8-B is made of forged bronze).

Putter, Model S-O-8. Weight is concentrated in extremely narrow blade. Face moved slightly back from the hosel. Rather upright lie.

—James W. Brine Co., 286 Devonshire St., Boston—

The
REDDY
TEETWELVE REASONS
Why You Should Use
THE REDDY TEE

1. Less resistance—Lengthens drive.
2. No sand on hands or grips.
3. Invisible tee—No mental hazard.
4. Tee to height you like best.
5. Sanitary! No sand box required.
6. Clean hands—Clean clothes.
7. No lost time—Always ready.
8. Outlasts a ball—Can't be lost.
9. No wet sand to chap hands.
10. Keeps sand off green.
11. Great service—Small cost
12. Improves poor drive—Makes good drive better.

Brine's Outdoor Basket Balls

BRINE'S PLAYGROUND BASKET BALLS

(Patented June 2, 1914)

No. SAP.—All the wear of a Basket Ball comes on the seams. The in-seam Ball was found unsuitable for outdoor use, as the rough surfaces (such as cement, cinders, etc.) wore the Ball through at the seams and cut the threads. This made it necessary to produce a Ball for outdoor use, and we have made the Ball out-seam to protect the threads, thereby producing a Ball that we know will give satisfaction. Made of good quality pebbled grain leather. Guaranteed regulation size and weight and officially adopted and recommended by many school and playground associations. Each Ball packed complete with rawhide lace, lacing needle and pure gum bladder. Each, \$10.00

Wholesale, \$7.50

No. SMX.—Durable pebbled grain leather out-seam Basket Ball. An excellent playground practice ball. Complete with bladder. Each, \$7.50

Wholesale, \$5.00

No. SMP.—Out-seam Ball, made of heavy chrome velvet split cowhide. A strong durable ball at a low price. Complete with bladder and lace, \$5.00

Wholesale, \$3.75

No. BW.—Brine's Welted Seam Basket Ball. Made of selected pebble grain cowhide and has patented lining to prevent stretching. Seams welted for protection when used outdoors. Designed for players who object to the rough seams of the regular out-seam ball. Each, \$9.00

Wholesale, \$6.50

No. BW

TETHER BALL

Brine's Improved Medicine Balls

Weigh from two to nine pounds. The covering is of selected tan leather, sewed in the same manner as our footballs. Quality throughout has been much improved and the balls as now made are extremely durable. The exercise consists of throwing ball to one another, which develops the chest, exercises the back, arms, legs; in fact, improves the whole system. We carry four sizes, all carefully stitched. Any size to order.
