Major League Model

Pete Reiser
TRADE MARK

- Model JCR - Regular**
Model JCL - Long Finger
Model JCS - Short Finger

Pete Reiser Three-in-One Major League Model is built according to the ideas and specifications of leading Major League players. Made in Regular, Long Finger, and Short Finger Models, it is ideally adapted to the requirements of the individual players.

The streamlined "Natural Contour" Professional Model (Licensed under Pat. No. 2231204) embodies compactness and flexibility. The especially designed fingers with welted back seams form a much-desired, deep, natural cup in the palm of the glove. Made of selected, specially tanned, glove leather with full horsehide lining. Hand built, hand formed, asbestos felt pad. Leather welted diverted finger seams with leather welted seams down back of fingers and thumb. Thumb reinforcer between thumb and palm. Double tunnel web with leather connector laced through metal eyelets between thumb and forefinger. Full roll leather bound edge, leather laced through metal eyelets. Inner processed greased palm. Wide leather wrist strap.

Specify:
