Mr. Hugo Goldsmith, Vice-Pres
P. Goldsmith Sons Co.,
Cincinnati, Ohio

Dear Sir:

I want you to know that my record as short-stop for the Cincinnati Reds this past season was due in a large measure to the excellent quality of the Goldsmith Sons infielders glove which I used the entire season, and in fact have used for three seasons. I have found that they are unsurpassed either in wearing qualities or in the very necessary matter of retaining their shape.

May I ask you to send me at my above address one of your Critz-Ford Double play models, which I will use in my next campaign.

Yours very truly,

Horace Ford
